MAISON FONDÉE EN 1776

LOUIS ROEDERER

C H A M P A G N E

At Louis Roederer, everything is a question of taste.

The cuvées of the House of Louis Roederer are the fruit of patient work with fundamental ingredients the collaboration of experts, a quest for the perfect balance, and hardy and generous grapes cultivated in the Champagne soil, producing a wine with a summery character and crystalline elegance.

The Louis Roederer House has remained an independent, family-owned company and is now managed by Frédéric Rouzaud, who represents the seventh generation of Louis Roederer.

“Cristal is both powerful and delicate, combining subtlety and precision.”

— Jean-Baptiste Lécaillon, Cellar Master

Cristal is remarkably balanced and refined champagne whose length is inimitable. It has a silky texture and fruity aromas, complemented by a powerful mineral quality, with white fruit and citrus notes.

Our House’s most famous wine was originally created in 1876 to satisfy the demanding tastes of Tsar Alexander II. Today, it remains a symphony of purity and elegance.

Produced uniquely during the best years, when the Chardonnay (around 40%) and Pinot Noir (around 60%) grapes have attained perfect maturity, Cristal is aged for 6 years in Louis Roederer’s cellars and left for a further 8 months after *dégorgement*. Cristal’s exceptional aging potential allows it to age beautifully for decades (and well over twenty years) without losing its freshness and character.
